Website Introduction *(Website)*

of HPREC and HP Retiree Websites

...for HP Inc. **and** legacy company retirees - Last Updated Feb 2017

One of the benefits of being a Club member is the information maintained for you. It will help to answer frequently asked questions about what's available to YOU on both our Retiree Club's website and the HP-related retiree websites. It also includes a wealth of resources and discounts, and how to find required passwords for access to certain secure web pages. This information, including passwords, also appears in the Club's annual Member Directory.

HPREC Website

www.hpretirees.org/hprec is your Club's website, maintained by Club volunteers. Bookmark it!

Our focus is on **Social Engagement**. You will find information on:

- Club activities (monthly and random) and trips/cruises (day and overnight)
- Volunteer activities (both in the community and with your Club)
- Archived issues of your Club newsletter (*HPREC NEWS*) in **color**
- Board members and Directors available to assist you
- Website Introduction (same information in the Directory/Welcome Packet, w/o Passwords on Web)
- Dental Plans offered through Club membership (California residents only)
- Getting Rid of Stuff/Downsizing (tips from HPREC members - *periodically updated*)
- Bylaws
- Club and HP Historical Information continues to be provided, some maintained by appreciative curators. For HP history info, find **Other Links** on left navigation bar, click on **HP Inc.**, then **HP History**.

Member Info Updates – After you join, if there is any personal information that you need to inform us of, *visit this link on our Club's home page and follow the instructions, as it is a self-maintaining database*. The online form - change of email or mailing address, phone number, directory preferences (emails and newsletters) can be done at any time: see access info in Member Directory.

> **EMAILS:** By providing your email address, unless indicated below, you will receive the following email messages from the Club.

- Notifications when a new issue of the **HPREC NEWS** is posted on the HPREC website (every odd month, email includes passwords and link to online, color-version newsletter)
- Occasional news sent by a Board member (or designate), approximately 6 messages a year.

If you do **NOT** want to receive either or both types of messages, go to the Member Info Updates link and select one or more of the following **Member Options**:

- Do not send an email when a new issue of **HPREC NEWS** is posted on the HPREC website
- Do not send news emails

> **NEWSLETTERS:** The Club's newsletter (**HPREC NEWS**) is available to all members as an online color copy at our Club's website at www.hpretirees.org/hprec. However, you can choose to have a black and white version sent to you by U.S. mail if you strongly prefer to read it that way. The paper copy will arrive approximately two weeks after the online copy has been posted to the Club's website, due to printer and USPS processing time required to prepare and deliver the paper copy. Note: Some limited space activities may be closed before your paper copy arrives. **For your information: printing and mailing of newsletters six times a year costs approximately \$12 per member or 80% of the total yearly dues per person. Please consider accessing the newsletter online so we can use the savings for activities for members, and we can also do our part for the environment. Thank you!**

HP-related Retiree sites

www.hpcontinuum.com *(maintained by HP Inc. for HPI retirees only)*

Since the split of HP in November 2015, HP Inc. has made a decision to reduce the duplication of material on its original retiree website at www.hp.com/retiree and the updated **HP Continuum** website. HP Continuum is password protected and is available only to registered members (HPI retirees only). HP Continuum will provide the latest information on benefits, annual enrollment, discounts (look for *Marketplace*), events, and more. You can also:

- See HP news, retiree stories, videos, and member spotlights.
- Reconnect with former colleagues and meet new friends.
- Start or join a group with retirees who share common interests.
- Learn about HP's strategy and innovation.

If you haven't registered yet, go to www.hpcontinuum.com and click on "Join now." It's free.

www.hp.com/retiree *(also maintained by HP Inc.)*

Overview tab – scroll to bottom of page for **HP EPP** access (your email and your password).

Stay Connected tab - Retiree Club information will continue to also reside on the original HP retiree website as it does not require a password. This will allow **prospective** club members to gain access to the different regional club's home pages and review the benefits of club membership. The bulk of what was on this site was moved to HP Continuum, so check it out.

EPP -If needing to update email address at EPP website, sign in with email address you are changing FROM, enter password, click on **Customer Service, My Account**, RE-enter outdated email address and current password. Click on **Change Email**, enter new email address and same/new password, click **Save**.

If you are a designated retiree, make sure that you see the **HPEPP** or **EPP** symbol or you won't be getting the proper retiree discount or ask an EPP specialist to confirm.

www.bayarea.hpway.org is on an external server that lists HP employee **discounts**, many also made available to **HP retirees**. This information can also be found via our Club home page; locate "Discounts/Benefits" and click on Bay Area Employee Programs link.

Once you've gained access (**see password section**), look for an "R" or the word "retirees" next to the vendor name for discounts that retirees are eligible for. Examples:

- Books/Music/Flowers/Gifts
- Communications (cell phone service)
- Computer/Electronics
- Entertainment/Travel
- Financial Services
- Home/Garden
- HP Box @ Flint Center
- HP Business Outlet EPP (refurbs)

The HP Employee Store is located on the HPE Palo Alto campus –at the back of the building (**no special access or badge is required as the Store is located in the Lobby and is also available to HPI, Agilent, and Keysight retirees**).
