## Website Introduction *(Website)*

### of HPREC and HP Retiree Websites

...for HP Inc. **and** legacy company retirees - Last Updated August 2017

One of the benefits of being a Club member is the information maintained for you. It will help to answer frequently asked questions about what's available to YOU on both our Retiree Club's website and the HP-related retiree websites. It also includes a wealth of resources and discounts, and how to find required passwords for access to certain secure web pages. This information, including passwords, also appears in the Club's annual Member Directory.

If you just joined, Welcome! If you've been a member for a while, we appreciate your continued interest in membership.

### **HPREC Website**

**Member Info Updates** – After you join, if there is any personal information that you need to inform us of, *visit this link on our Club's home page and follow the instructions, as it is a self-maintaining database*. The online form - change of email or mailing address, phone number, directory preferences (emails and newsletters) can be done at any time: see access info in Passwords section.

> **EMAILS:** By providing your email address, unless indicated below, you will receive the following email messages from the Club.

## **HP-related Retiree sites**

[www.hpcontinuum.com](http://www.hpcontinuum.com) *(maintained by HP Inc. for HPI retirees only)*

Since the split of HP in November 2015, HP Inc. has made a decision to reduce the duplication of material on its original retiree website at [www.hp.com/retiree](http://www.hp.com/retiree) and the updated **HP Continuum** website. HP Continuum is password protected (you create) and is available only to registered members (HPI retirees only). HP Continuum will provide the latest information on benefits, annual enrollment, discounts (look for *Marketplace*), events, and more. You can also:

- See HP news, retiree stories, videos, and member spotlights.
- Reconnect with former colleagues and meet new friends.
- Start or join a group with retirees who share common interests.
- Learn about HP's strategy and innovation.

If you haven't registered yet, go to [www.hpcontinuum.com](http://www.hpcontinuum.com) and click on "Join now." It's free.

[www.hp.com/retiree](http://www.hp.com/retiree) *(also maintained by HP Inc.)*

**HP Retirees** tab/page:

**Retiree Clubs** information will continue to also reside on the original HP retiree website as it does not require a password. This will allow **prospective** club members to gain access to the different regional club's home pages and review the benefits of club membership. The bulk of what was on this site was moved to HP Continuum, so check it out.

**EPP** -Scroll to bottom of page for EPP link. If needing to update email address at EPP website, sign in with email address you are changing FROM, enter your password, click on **Customer Service, My Account**, RE-enter outdated email address and current password. Click on **Change Email**, enter new email address and same/new password, click **Save**.

If you are a designated retiree, make sure that you see the **HPEPP** or **EPP** symbol or you won't be getting the proper retiree discount or ask an EPP specialist to confirm your eligibility and discount applied.

**Discounts** – Scroll to bottom of page for link to discounts and special offers available to Club members and designated retirees.
