VOLUNTEER PROJECTS

Welcome

How to Join HPREC

Enjoy connecting with former employees of HP legacy companies (HP Inc., Hewlett Packard Enterprise, Agilent, Keysight and others) who meet eligibility criteria as shown below. Participate in the Bay Area Club's many exciting social activities and trips, even if you live outside the Bay Area. Or just sit back and stay in touch with former colleagues via our bi-monthly newsletter that includes website updates and pertinent company retiree benefit news. Membership is open to HPI, HPE, Agilent and Keysight retirees (we have members in 27 states) and requires a small annual membership fee, currently set at \$15.

Membership Eligibility

Any former HPI, HPE, Agilent or Keysight employee (including a former employee of an HP or Agilent acquisition who joins HP or Agilent and then retires or leaves HP, Agilent or Keysight) is qualified for membership after satisfying at least one of the following conditions:

1. must have received at least ten (10) years of HP or legacy company service credit;
2. is presently on permanent disability and was working at HP or legacy company at the time of his or her disability;
3. retired at age sixty (60) years or older without completing ten (10) years at HP or legacy company or
4. is the surviving spouse or partner of a member in good standing at the time of such member's death.

If you have a circumstance not covered above, you can send an email to **Oscar Lombardi** at: ba.membershipchair@hpretirees.org to request membership consideration.

To complete an online enrollment form, go to our membership webpage at:
www.hpretirees.org/hprec/membership.php

sign-up forms for coming events.

Luncheons

*See reservation forms in future newsletters or
check Calendar of Events link on home page.

Spring Fling Luncheon - March *

Summer Picnic - May or June *

Holiday Luncheon - December *

Volunteer Projects

Take part in some fun volunteer projects by
joining fellow retirees to help make a difference
in your community. If you can spare an hour, a
day, or more, then our volunteer group,
HP/Agilent Retiree Volunteers (HPARV), is just
for you. Experience new challenges, work with
fellow retirees, make new friends and share the
pride of accomplishment and giving.

Done-in-a-Day Projects:

Throughout the year, HPARV sponsors special
projects that only take a day of your time or just
several hours. The "Done-in-a-Day" projects
only require a one-time commitment and are
perfect for people who cannot commit time on
an ongoing basis. Organizations where we have
done a volunteer project include: Family Giving
Tree, La Comida Dining Room, Marine Science
Institute, RAFT, St. Anthony's Padua Dining
Room, Second Harvest Food Bank, Silicon
Valley Science Fair and Sunnyvale Community
Services. Watch for information about the
"Done-in-a-Day" projects in the **newsletter** or
check the **Volunteer in your Community** link
on home page.

There is a volunteer opportunity for everyone
no matter how much or how little time you have
to offer. All you have to do is email us to get
more information on a community activity or
check out the **Volunteer with your Club** link on
home page.
