

Basics

of HPREC and HP Retiree Websites

...for HP Inc. **and** legacy company retirees

- Last Updated June 2018 – Website

One of the benefits of being a Club member is the information maintained for you. It will help to answer frequently asked questions about what's available to YOU on both our Retiree Club's website and the HP-related retiree websites. It also includes a wealth of resources and discounts, and how to find required passwords for access to certain secure web pages. This information, including passwords, also appears in the Club's Member Directory under **Website Introduction**, as well as in bi-monthly emails notifying you when our newsletter is posted online, if you don't opt out of receiving them (see Emails – starting on bottom of page 1 – for more information).

If you recently joined, **Welcome!** If you've been a member for a while, we appreciate your continued interest in membership.

HPREC Website

www.hpretirees.org/hprec is your Club's website, maintained by Club volunteers.

Bookmark it!

Our focus is on **Social Engagement**. You will find information on:

- Club activities (monthly and random) and trips/cruises (day and overnight)
- Volunteer activities (both in the community and with your Club)
- Archived issues of your Club newsletter (**HPREC NEWS**) in **color**
- Board members and Directors available to assist you

- Club and HP Historical Information continues to be provided, some maintained by appreciative curators. For HP history info, find **Other Links** on left navigation bar, click on **HP Inc.**, then **HP History**.
- Self-maintaining online updating of personal information (see Member Info Updates)

Member Info Updates – If there is any personal information that you need to inform us of after first joining, *visit this link on our Club's home page and follow the instructions. It is a self-maintaining database.* The online form – change of email or mailing address, phone number, directory preferences (emails and newsletters) – can be done at any time: see access info in Passwords section in Member Directory.

> **EMAILS:** By providing your email address, unless indicated below, you will receive the following email messages from the Club.

- Notifications when a new issue of the **HPREC NEWS** is posted on the HPREC website (every odd month, email includes reminders of current passwords and link to online, color-version newsletter).
- Occasional news sent by a Board member (or designate), about six messages a year.

If you do **NOT** want to receive either or both types of messages, go to the [Member Info Update](#) link and select one or more of the following **Member Options**:

- Do not send email when a new issue of **HPREC NEWS** is posted on the Club website
- Do not send news emails

> **NEWSLETTERS**: The Club's newsletter (**HPREC NEWS**) is available to all members as an online color copy at our Club's website at www.hpretirees.org/hprec. Click on [Current Newsletter](#) link. You will receive an email notifying you when it gets posted to the website.

Retiree Clubs information will continue to also reside on the original HP retiree website as it does not require a password.
