Issue: #120

HPREC President's Message *By Bernard Bruand*

I hope you all enjoyed the summer as a new school year starts. You may not care so much about it, but for us, this means we are in the membership renewal and voting season, two important activities for the Club.

Renewal: We need your help to renew, at best online paying by PayPal. Even without a PayPal account, use any credit or debit card. *Thanks.* If you don't pay online by September 6, you will receive a postal mail with renewal documents. Remember, you can always renew online and save a stamp and save our volunteers' time.

We also need your help enrolling new members. We don't get lists of employees retiring from the "HP companies," so we rely heavily on current members to attract new members. If you know of ex-colleagues retiring or possibly interested in our activities and keeping some connection to ex-HP people, please encourage them to join us. Point them to our website at www.hpretirees.org/hprec.

Voting: As mentioned several times before, it will be online voting only during the month of September. You will receive an email on September 4 with your voting instructions. See more info in the article in this issue. We are pleased to have two new candidates for the Board: **Pat Capshaw** who has experience with the Club as a Board member, and **Barbara Trone** who is a new volunteer and will be our Secretary. Thanks very much to them.

Holiday Luncheon: It is now reserved on **Tuesday, December 11**. We could not get a restaurant on the Monday, so we try a different day, hoping this will not create any conflicts. We have reserved David's Banquet Center as the previous years, and the price will stay the same. Hoping to see many of you at this most attended event for the Club. See more details in this newsletter.

Dental plans for 2019: We have new information and pricing for Delta Dental Plans.

- HMO plan will continue at the same cost for the next two years.
- PPO HPREC Group plan will be discontinued January 1, 2019 and be replaced by Individual Delta Dental plans, due to excessive cost increase (+20%) and complexity to manage the plan and payments. See full article in this issue, and check our website by clicking on **Dental Plan**. Current participants have been contacted via email to give them advance notice and options.

Feel free to contact me with any suggestions, comments or offers to help at ba.president@hpretirees.org.

Calendar of Events

Upcoming Activities, Events, Trips and Volunteer Opportunities.

This table combines information about all the Club's social gatherings into an easy-to-use table that is sorted by date.

Scan this list, check off the ones you want to attend, and be sure to add them to your calendar.

Type	Date and Time	Description and Location	Sign Up Deadline

Membership Report *By Oscar Lombardi, Membership Chairperson*

Hello everyone and welcome to this issue's HPREC membership update.

Welcome Members! I would like to extend a warm welcome to the following:

NEW members who joined our Club during June and July 2018: **Deborah Plumley and James (Jim) Juneau.**

Rejoined: **David L. (Dave) Montgomery, Nancy Lee Kathary and Joanne H. Petersen.**

Welcome aboard and thank you for joining HPREC! **The HPREC Club Membership stands at 939.**

Membership Renewal-Board Members Election: We are in the membership renewal cycle of this year which opened on August 1 with the online renewal process, which as you know makes it easy for you, and at the same time, simplifies our admin processes. At the time of closure of this publication, 220 people renewed online, **THANK YOU!**

If you have not had time to renew, please do so as soon as you can, by using the online process or by waiting for a letter from us with a membership renewal form and instructions.

The Board Members Election process is also open on September 4. Please check the related article for more info.

Help us increase membership! Please remember that the Club is as strong as its membership, so we continue to encourage all of you to think of friends and/or ex-colleagues...a positive word from you on the benefits of being a member may just be what is needed to convince them to join.

Reminder of who's eligible to join: Someone who worked for at least 10 years at one of the companies (HPI, HPE, Agilent, or Keysight) that form our Club membership. They do NOT need to be receiving retiree benefits to be eligible to join. If someone was granted service credit with one of the four companies listed and is not sure if they qualify, ask us.

Newer members - not aware of our Recruitment Incentives?

- To aid you in your recruiting efforts, utilize our **INFORMATIVE BROCHURE** highlighting the key activities and benefits that come with being a member of HPREC. This brochure is available on the www.hpretirees.org/hprec website. Click *HPREC Brochure* on the left navigation bar to access the tri-fold brochure. Please print out some copies and give them to your HPI, HPE, Agilent or Keysight retiree friends. Or, if you would like hardcopies sent to you, email me at ba.membershipchair@hpretirees.org and provide your mailing address and the number of copies you want.

- **You can win a Gift Card!** To encourage your participation, HPREC is offering **TWO \$50.00 GIFT CARDS** to be awarded at the HPREC Holiday Luncheon which takes place **Tuesday, December 11, 2018.** You need not be present to win. Here's how you qualify for the drawing. For every person you encourage to join HPREC (with dues paid), your name will automatically be put in the pool drawing. There is no limit to how many paid members you can bring in and increase your chance of winning a certificate (only one winning certificate per member).

All entries from November 1, 2017 through October 31, 2018 (our fiscal year) are eligible. *Note: those who join in September and October (last two months of FY) have their dues count toward next FY as well.* New members should enter your name on their online enrollment form for you to qualify. *(If you have already referred new members who have joined and paid this year, just let me know.)* All members of the Club are eligible to win (except Board members). If you have questions or comments, email me at ba.membershipchair@hpretirees.org.

So, please, let's go out and talk to your friends and increase our membership level! You will be doing the new member and the Club a real favor. Thank you!

2018 Nominees for Board of Directors *By Oscar Lombardi, Nominations Committee Chair*

As we've been announcing over the last couple of newsletters, we have simplified the voting process for our new members of the Board of Directors. Those of you who have registered your personal email address with the Club will receive an email on **September 4** with instructions on how to cast your vote by replying to the email ballot, as well as the names and profiles of the two candidates we have for this year. Deadline to vote is September 30.

We are excited to have two excellent candidates with long term experience in our companies who are volunteering their time to serve on the HPREC Board; please show them your support by voting.

Thank you for your membership and involvement in our Club activities.

Pat Capshaw (HP - 30 years)

Pat joined HP in 1969 and has spent most of her career in Human Resources working in a variety of functions and entities. From 1989 to 1999, she was the HR Manager for the Software Services Division (SSD). Pat retired from HP in 1999 after 30 years of service.

Pat has spent her retirement years pursuing her passion for travel, movies, reading, cooking, and attending to her more than 25 rose bushes. She has also been very involved with her grandson who was born a few months after Pat retired. More recently, she has started attending weekly lectures at the Institute for the Study of Western Civilization which she finds fascinating.

Pat formerly served as an HPREC Board member from 2007-2009. The Board welcomes her return.

Barbara Trone (HP - 18 years)

Barbara began her career at HP in 1988 as an Administrative Assistant to the Manufacturing Manager of the Printed Circuit Board Division in Sunnyvale. She continued in this position until the Sunnyvale Manufacturing Shop closed in 1993. Barbara moved to the Network Server Division in Santa Clara as Admin to the Marketing Manager, assisting him and his team to increase HP's market share. In 1997, she joined the Mobile Computing Division as a Lab Coordinator where she managed the Lab Test Schedule and kept an inventory of spare parts. And, finally in 2000, Barbara assumed the position of Product Planner for the Asia Pacific area for the Consumer PC Division. She retired from HP in 2005.

Since retirement, Barbara has volunteered at the Los Gatos-Monte Sereno Police Department in the Records Department. She has also volunteered for HPREC RAFT putting together science kits and the Marine Science Institute. She belongs to a Christian ensemble group which performs a couple of times a year. And Barbara and her husband, John, have traveled whenever they had an opportunity.

She is willing to assume the role of Board Secretary, replacing Kathy Hall who is completing her Board term this October.

By Carol Nakamoto, your HP Liaison

HP Inc is hosting its annual Benefits Fair in the following locations:

Retiree Fairs [9:30 am – 1 pm] local time

Palo Alto, CA	- Hilton Garden Inn, 4216 El Camino Real, Palo Alto	October 18
Corvallis, OR	- 1070 NE Circle Blvd, Corvallis	October 19
Boise, ID	- 11311 Chinden Blvd, Boise	October 24
San Diego, CA	- Radisson, 11520 W Bernardo Ct, San Diego	October 24

If you are in contact with HP Inc as a retiree, you will receive notifications directly from the company on what is being offered and where to show up. Note the morning timeframe.

HPREC Dental Plan Update

By Bernard Bruand (outgoing liaison) and Steve Mar (incoming Delta Dental liaison and HPREC member)

The HPREC Board worked with Delta Dental on renewing dental premiums for next year.

HMO group plan will be renewed for the same monthly premium for the next two years - 2019 & 2020.

But, the **PPO** group plan will NOT be renewed effective January 1, 2019 due to the increase in premiums by 20%, overhead involvement, and time required by HPREC volunteers. An email message was sent August 9 to all current members who are enrolled in the HPREC PPO plan with additional information and options for 2019. The current payment process remains in effect through 2018. We wanted members to have as much advance notice as possible to do some dental treatment planning before the end of the year, if needed.

If you want more information on alternative PPO plans offered by Delta Dental, whether you currently have PPO coverage or not, go to the Delta Dental website at www.deltadentalins.com.

1. Mouse click "Get a Quote" button
2. Enter zip code, birthdate and people coverage. Mouse click "Show Plans" button
3. Left side of the screen will show two PPO plans. Mouse click "Get Details" button for either Basic or Premium plan.

If you have any issues, you can contact us through the HPREC Dental Plan web page at hpretirees.org/hprec/dental.php and email our Club liaison at ba.dentalplan@hpretirees.org.

Bernard and Steve

LATEST - Updated info since last newsletter.

www.hpretirees.org/hprec - HPREC (Our Club's website, maintained by HPREC volunteers)

HOT NEWS section of Club's home page:

- On **Aug 1**, we posted a notice on website correcting the date for the Holiday Luncheon to **Tues, Dec 11**, not Dec 10.
- On **Sep 4**, we are sending/sent an email inviting you to vote. Sep 4-30 is window to cast your vote on the new Board member slate. We are no longer providing paper ballots, to ease the cost and workload of volunteers.

# HPARV “Done in a Day” Volunteer Opportunities

Join your fellow HP/Agilent/Keysight retirees at the following events:

## St. Anthony's Padua Dining Room

For the past 35 years, the Padua Dining Room has pursued its mission to provide hot, well-balanced meals to people in the community. They serve low-income people with as many as 600 hot, nourishing meals a day, six days a week. Padua charges no fees, asks no questions, and turns no one away.

We will prepare and serve food. Most tasks require standing.

Date & Time: **Tuesday, Oct 23, 2018, 9:30 am – 1 pm**

Place: St. Anthony's Padua Dining Room  
3500 Middlefield Rd., Menlo Park, CA

Directions: From Highway 101, take exit #406/Marsh Road; go southwest.  
In 1.3 miles, go right onto Middlefield Road. Padua Dining Room is 0.5 of a mile down Middlefield Road on your left.  
From Highway 280, take Highway 84/Woodside Road to Middlefield Road and turn right. Padua Dining Room is 1.3 miles down Middlefield Road on your right.

RSVP **hp.agilent.volunteers@hotmail.com** or call **John McCabe** at 650-328-3472  
by **Oct 14, 2018.**

**RAFT**, Resource Area for Teaching, is a nonprofit organization that believes hands-on teaching is the best way for teachers to teach and students to learn. Their goal is to assist teachers, nonprofits and community groups by providing materials and ideas for day-to-day

teaching and for supporting professional growth. They provide creative hands-on activity kits, educational resources, workshops and inexpensive materials to enrich pre-K through 12-grade education and community group programs. RAFT's products, services and low-cost teaching supplies enrich and improve the education of over 600,000 young people in the bay area each year.

Volunteering at RAFT is fun, easy and convenient. Volunteers help keep the cost of RAFT products affordable for educators by sorting the different raw materials that are donated and packaging RAFT hands-on learning activity kits. Casual dress and closed-toed shoes are recommended. Work is generally clean and low-impact.

Date & Time: **Wednesday, Nov 7, 2018, 1 pm - 4 pm**

Place: RAFT Volunteer & Processing Center  
1160 Kern Ave., Sunnyvale, CA 94085

Directions and more information: [www.raftbayarea.org/volunteer/](http://www.raftbayarea.org/volunteer/)

by **Oct 25, 2018.**

# Drop-in Lunch

## NEW LOCATION

Join other HPREC members for a monthly drop-in lunch at **The Post of Los Altos**, 395 Main Street, Los Altos, CA on Tuesday, September 25, 2018 at 11:30 am. Menu includes great hamburgers, sandwiches, salads, etc. Anyone is welcome at this NO HOST lunch.

## Future Dates

Oct 30, 2018

Nov 27, 2018

No lunch in December

No reservations needed.

**The Post** is located at 395 Main Street, Los Altos, at the corner of First Street. Parking in the back. See website for menu: [thepostlosaltos.com](http://thepostlosaltos.com).

# Walt Disney's Nine Old Men: Masters of Animation

## The Walt Disney Family Museum

Wednesday, November 7, 2018

**\$43**

This unique exhibition celebrates the distinctive talents and contributions of The Walt Disney Studios' most celebrated artists, playfully dubbed the "Nine Old Men" by Walt. The famed nine were: Les Clark, Marc Davis, Ollie Johnston, Milt Kahl, Ward Kimball, Eric Larson, John Lounsbery, Wolfgang Reitherman, and Frank Thomas.

Never-before-seen personal artwork, paintings, sculptures, concept art, and character drawings—including Mickey Mouse—are all on display, alongside documentary interviews with these masters of animation, and rarely exhibited pencil tests and final color scenes that showcase their genius.

No Host lunch at Pier 39.

Leave Cupertino (Benihana's) at 9:30 am. Please arrive at bus pick up by 9:15 am; bus will leave promptly at 9:30 am. Return about 4 pm.

Leader: Carol Arnett (408) 732-5194 [carol\\_a94087@yahoo.com](mailto:carol_a94087@yahoo.com)

Please call during business hours 9 am–5 pm.

## Bowling for Fun! *By Bernard Bruand*

Come join us at Homestead Bowl at 20990 Homestead Road, Cupertino. It's the second Monday of each month. Price is \$5.50/game (we bowl two games). Shoe rental is separate.

The next few bowling events are **Sep 10, Oct 8, and Nov 12** from **10:30 am - 12 pm**. If interested, please just come or contact Bernard Bruand at [ba.president@hpretirees.org](mailto:ba.president@hpretirees.org) or find his phone number in the Club Directory.

## Hikes in Oct & Nov *By John McCabe*

### San Francisco Stairway Walk of Dolores Heights

|  |                                                                                        |
|--|----------------------------------------------------------------------------------------|
|  | Tues. Oct 9, 10 am                                                                     |
|  | Tues. Oct 16, 10 am                                                                    |
|  | Free                                                                                   |
|  | <b>Jim Holl</b> 408-446-2963<br>408-528-5846 cell                                      |
|  | About 5 miles                                                                          |
|  | Moderate (a bit hilly)                                                                 |
|  | Perhaps a few hundred feet                                                             |
|  | No                                                                                     |
|  | No                                                                                     |
|  | At the beginning & end of the hike.                                                    |
|  | Water, sunscreen, a lunch, hiking sticks, and \$4.00 to reimburse the carpool drivers. |

Meet at the Usual Carpool Location\*, or if you would like to meet at the hike site, form your own carpool and meet at the Randall Museum located at 199 Museum Way in San Francisco. Free parking is rare in this part of the city; please carpool or travel to the Castro Muni Station. Those arriving by Muni can either wait for the group to walk through the station or can come up the hill where restrooms are available at the Randall Museum. Note there are no restrooms during the walk.

Last taken in 2015, this San Francisco stairway walk repeats the 2011 route which included all of Adah Bakalinsky's walk number 21 (Dolores Heights – A Mondrian Walk). The walk also includes walking through the heart of the Castro District twice and a final walk up the beautiful Vulcan Stairway.

The highlight of the walk is the 'painted lady' like houses from the latter part of the 1800s.

### Bedwell Bayfront Park in Menlo Park Lite Hike

|                                                                                   |                                        |
|-----------------------------------------------------------------------------------|----------------------------------------|
|  | Wed, Oct 17, 10 am                     |
|  | No rainout date                        |
|  | Free                                   |
|  | <b>John McCabe</b> 650-328-3472        |
|  | 2.3 miles                              |
|  | Easy                                   |
|  | Flat on sidewalks                      |
|  | Yes                                    |
|  | Yes, but the trail may be a bit rough. |
|  | At the beginning and end of the hike.  |
|  | Water and sunscreen                    |

Meet at the large paved parking lot near the restrooms at Bedwell Bayfront Park in Menlo Park. Take 101 to the CA-84 E/Marsh Road exit. Take Marsh Road east and immediately get in the left lane to go straight on Marsh Road into the park entrance. The restrooms are straight ahead just a little beyond the park entrance. There is ample parking. We will meet at the bathrooms.

The relatively flat 2.3-mile trail around the perimeter of Bedwell Bayfront Park is part of the San Francisco Bay Trail. The park's 160 acres are surrounded on three sides by the Don Edwards San Francisco Bay National Wildlife Refuge.

### Almaden Quicksilver County Park

|                                                                                     |                                                                                        |
|-------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------|
|    | Tues, Nov 13, 10 am                                                                    |
|    | Tues, Nov 20, 10 am                                                                    |
|  | Free                                                                                   |
|  | <b>Klaus Model</b><br>617-515-6895 cell<br>408-354-7819 home                           |
|  | 5 miles                                                                                |
|  | Moderate                                                                               |
|  | A couple of feet of elevation change                                                   |
|  | Are allowed on a 6-foot leash                                                          |
|  | No                                                                                     |
|  | At the beginning and end of the hike.                                                  |
|  | Water, sunscreen, a lunch, hiking sticks, and \$3.00 to reimburse the carpool drivers. |

Meet at the Usual Carpool Location\*. If you drive there directly, take Highway 280 south to Highway 85 toward Gilroy. Turn right on Hicks Road and follow it for 6 miles. At the intersection of Wood Road and Hicks Road, turn left into the parking lot.

The Almaden Quicksilver County Park, with its spectacular natural diversity, is a landmark of California history. The area was used by the local Ohlone Indians as a source of deep red mercury-bearing rock, cinnabar. This area was then a busy mining center for more than 135 years, from as early as 1845 until 1976. It was once the second largest mercury or quicksilver producing mine in the world.

We will hike the Woods Road Trail to Spanish Town, the Yellow Kid Tunnel Trail to English Camp where we will have lunch, then Mine Hill Trail to the Castillero Trail, and back to the parking lot via the Wood Road Trail.

### Note: There will be no Lite Hike in November.

\* **The Usual Carpool Location** is the Enid Pearson Arastradero Preserve parking area. From I-280, exit on Page Mill Road and go SW for about half a mile. Turn right on Arastradero Road and go 1.2 miles. The parking area is on your right. Join your fellow hikers near the restrooms.

**Hiking Email List:** Updates, specifics and reminders will go out to the "HPREC Hiking Distribution List" about one week prior to the hike. If you are not on that list, contact John McCabe ([leonaandjohn@att.net](mailto:leonaandjohn@att.net)).

## HPARV Volunteer News

[hp.agilent.volunteers@hotmail.com](mailto:hp.agilent.volunteers@hotmail.com)

### Feeding Folks at the Padua Dining Room *By John McCabe*

HPREC volunteers always get a good feeling when they spend a bit of their time helping to feed others. In June, five of us did this at St. Anthony's Padua Dining Room in Menlo Park, CA. First, there was lots of peeling and chopping the fruits and vegetables. Then, we helped mix up a fruit salad for the day's meals. Afterwards, three of us helped serve nourishing meals for everyone who came in hungry. This included pomegranate juice that was most delicious. Meanwhile, the other two of us did such things as washing dishes, sorting vegetables, and breaking down cardboard boxes for recycling. Throughout it all, it was great knowing the impact we were having on people's lives.

If you would like to join us the next time we are at the Padua Dining Room, look for a flyer in this newsletter.

*(L-R): John McCabe, Wanda Lee, Marsha Lee, Bryan Lovegren, and Artie Schleifer.*

### Look What We Found in the San Francisco Bay! *By John McCabe*

We had a terrific time at the Marine Science Institute. We first looked at all the thank you notes and pictures that students sent in after going out on the bay with MSI. It was great to see how much students learned about marine life during their MSI field trips and how much fun they had while doing it. We were impressed with the artistic abilities of many of the students. It gives one a good feeling about the future.

*A leopard shark that we all got to pet.*

*(L-R): John McCabe, Gail Mantegani, Pat Fausett, Louie Sivo, and Gordon Mullin.*

We then explored the San Francisco Bay on MSI's research ship, the Robert G. Brownlee. As volunteer Gordon Mullin said, this was probably the most fun we ever had doing this. We, and the other folks on board, threw out a drag net behind the ship to see what all is living in the S. F. Bay below us. When the drag net was pulled up, we caught five bat rays, a leopard shark, a turbot, several California halibut sand dabs, various other fish, and snails. We even had the opportunity to pet bat rays and the shark.

*We got to pet this bat ray as well.*

*This turbot was one of the various fish that we brought up in our net.*

## Helping RAFT Help Local Teachers *By John McCabe*

August 14 was the first day of the school year, at least it was for two of my grandkids. (I'm happy that my summer vacation didn't end that early when I was a kid.) The start of the school year is when teachers realize that they need supplies that they can ill afford. Fortunately, several bay area companies, including one that recently went out of business, donated lots of office supplies to RAFT.

August 14 was also the day that 11 HPREC members volunteered at RAFT. We went through lots of supplies, did quality assurance on them, counted them, packaged them, and got them ready to be sold to teachers for a nominal price. These supplies included dry erase markers, permanent markers, washable markers, pens, pencils, erasers, crayons, paper clips, envelopes, and bags. All things teachers need. We did this while listening to oldies but goodies and enjoying each other's company. It was fun.

If you want to join us next time, look for the flyer in this newsletter.

*(L-R): Irene Wright, Fran Low, Mike Tada, Marsha Lee, John McCabe, Marialis Seehorn, Pat Fausett, Cherie Baker, Louie Sivo, Carol Arnett, and Ana Clark.*

*Louie Sivo took this picture of us as we worked.*

## Hiking News *Compiled by Gary Ruppel*

### UC Berkeley Campus Hike *By Jim Holl (Leader) with photo by Janet Holl*

Our return trip to UC Berkeley was well attended (thirteen) as was the case in 2009. Our route this time was by BART from the Warm Springs Bart Station in Fremont which began service in March, 2017. A hint is to use the permit parking lot after 10am. The group used the BART system to travel under Lake Elizabeth in Fremont and on to the Downtown Berkeley station. The Berkeley BART Plaza is being improved so there is a detour to exit stairs.

Tour guides and Cal alums Jim and Janet Holl led the group through the campus pointing out Strawberry Creek, public

buildings used for various forms of entertainment, famous and little-known sites. The group picture was taken at Sather Gate built in 1910 at the street car turn-around at the end of Telegraph Avenue. Sather Gate is now in the middle of the campus.

Janet shared some printed photos that helped folks get a feeling for some historical events, such as the 1960s Free Speech Movement centered on Sproul Hall steps. Other photos showed inside views of some of the buildings. In the Student Union building, many were studying. Numerous campus libraries are also popular study spots. We discovered that Ludwig's Fountain in Sproul Plaza was named after a dog, that the parking places reserved for those with NL parking permits are for Nobel Laureates, and that there is indeed a mine shaft running into the hills toward the Hayward Fault near the Hearst Mining Building.

*(L-R): Artie Schleifer, Stephen & Kay Mar, Eileen Ruppel, Carol Arnett, Jim Holl, Ted & Marcia Adams, Chuck Sieloff, Shirley Kwan, Gary Ruppel, Barbara Beebe, and Janet Holl.*

After lunch, near the lawns of Faculty Glade, the tour went past Memorial Stadium and the new Simpson Center for Student-Athlete High Performance. The group visited International House where 75% of the students are residents from foreign countries.

The walk crossed the campus past the Greek Theater to Founder's Rock commemorating the 1860 purchase of the property for this land grant college. As we returned to the BART station, we passed several engineering buildings, University Hall where the Chancellor may choose to live, the iconic Campanile and the main library.

To enjoy this activity, use the BART website ([www.bart.gov/](http://www.bart.gov/)) to plan your trip. Currently, weekday trips from the Warm Springs BART station at 45193 Warm Springs Blvd., Fremont require one train transfer in each direction, but weekend trains are direct. Daily parking is usually \$3, and the roundtrip BART cost is \$11.60 or is discounted with a Clipper card.

### Professorville Walking Tour *By Gary Ruppel (Leader) with photos by John McCabe*

Seventeen folks took a leisurely stroll around Palo Alto's Historic Professorville neighborhood. This neighborhood, subdivided in 1889 by Timothy Hopkins at the request of Leland Stanford, was the earliest off-campus residential area for Stanford professors. Built in sturdy "turn of the century" style, these early homes survived the 1906 earthquake and today constitute the largest remaining neighborhood of its kind in the mid-peninsula area. We viewed some fourteen residences, including a cottage that belonged to John O. Varian, the father of Russell and Sigurd who founded Varian Associates as well as Castle Rock State Park.

There are three styles of houses within Professorville; Shingle, Colonial Revival and Craftsman. The pictured house is an example of the Colonial Revival style even though it has shingles. The house was the home of Professor Augustus Taber Murray, a classical scholar on Stanford's first faculty and was built in 1893.

Houses viewed ranged in construction dates from 1893 to 1903.

More information and a pamphlet describing the walk and properties may be obtained at the Palo Alto Stanford Heritage website ([www.pastheritage.com](http://www.pastheritage.com)).

Getting there: The walk begins at Gamble Gardens, 1431 Waverley Street, Palo Alto. From Embarcadero Road, go south on Waverley. Go into the driveway that is 60 yards from the corner on your left and park there. If you park on the parking area on Churchill Avenue, come to the corner of Waverley and Embarcadero.

(L-R): Back Row: Gary Ruppel, Carol Arnett, Janis Andrews, David Karwowski, Eileen Ruppel, Barbara Beebe, Stephen & Kay Mar, Chris Simonson, KJ Chang, Fred Kohler. Front Row: Marcia & Ted Adams, Jade Simonson, Artie Schleifer, Chuck Sieloff, and John McCabe.

## **Butano State Park** *By Gary Ruppel (Leader) with photos by Dee Baily and Eileen Ruppel*

Butano (*say boo-ta-no*) is the native Quiroste/Ohlone place name for "a gathering place for friendly visits." This park is one of the best kept secrets on the coast. The steep terrain along Little Butano Creek prevented the usual 19th century practice of clear cutting, so some old-growth redwood and fir are mixed in with the very rapid second growth. We hiked the Six Bridges Trail and the Little Butano Creek Trail, as well as portions of the Goat Hill Trail.

The group of ten was pleasantly surprised to begin the hike in overcast and cool temperatures. Perfect for this time of year. The trails were almost entirely in the shade and offered views of the running Little Butano Creek and huckleberry bushes as well as some trillium and lots of ferns. Many of the redwood groves have been named for benefactors of the State Parks and in particular for those who had treasured this particular park. Not many critters were found, although there was an abundance of banana slugs in all forms of activity, one of which was X-rated. We were able to visit the small campground which was fully booked with tenters and a few RVers.

Jim Holl pointed out (see photo next page) a notch in a redwood tree stump that had been made by loggers in order to fell a tree. The cutting was done by two sawyers standing on two planks on opposite sides of the tree.

There were always two notches. Cutting was done by the one pulling the long saw. Jim's dad was once a sawyer near Lassen County in California.

Getting there: Take I-280 to Hwy 92 West toward Half Moon Bay. Turn left at Hwy 1, travel south to Pescadero Road. Go inland on Pescadero Road and go 2.6 miles through the town of Pescadero to Cloverdale Road and take a right. After 4.2 miles, turn left onto the entrance road for Butano State Park. The entry kiosk has a \$10 parking fee (\$9 for seniors) or

you can use your State Parks Pass. Our hike began at the picnic/parking area on your right. The Six Bridges Trail begins right there.

*Jim Holl's redwood tree notch used for sawing.*

*(L-R): Jim Holl, Steve & Kay Ma, Gary Ruppel, Chuck Sieloff, Janis Andrews, Mike Fischer, Marilyn Roberts, and Eileen Ruppel. Not pictured; Dee Baily.*

## **Palo Alto Downtown History Lite Hike** *By John McCabe*

Seventeen HPREC members took a stroll down some of Bill Hewlett's and Dave Packard's old stomping grounds, the downtown area for Palo Alto. Gene Arnold, who is a very spry 95-year old, regaled us with his memories and his stories of people and places from the early days in Palo Alto and at HP. Others of us old-timers added our memories of living in Palo Alto and working at HP during the good old days. Gene moved to Palo Alto in 1935, and started working for Bill and Dave in 1951. We started our journey at the downtown Palo Alto train station. We strolled down the main drag (University Avenue), heard about what establishments used to be where, and learned of life in depression times and thereafter. When we got to the end of downtown (which was at Cowper Street), we circled back and ended up at the Peninsula Creamery (the one at 566 Emerson Street). The Creamery is where Gene's mother worked while raising Gene as a single mother; it still makes wonderful milkshakes. You can do this hike on your

own, but it will not be the same without Gene. We recommend that you park in one of Palo Alto's parking garages (one is located at 528 High Street). They have free three-hour parking; parking on downtown Palo Alto streets is also free, but is for only two hours.

*(L-R): Al Olston, Gary Ruppel, Eileen Ruppel, Ted Kamins, Jim Holl, Janet Holl, Chuck Sieloff, Janet Anvick, Kay Mar, Scott Anvick, Stephen Mar, David Karwowski, Janis Andrews, Gene Arnold, Klaus Model, and John McCabe.  
Not pictured: Gene's cousin Linda.*

**Former HPREC member, Alan Bagley**, January 8, 1924 - June 24, 2018, Los Altos Hills

Born in Pasadena, California to Frank Bagley and Helen Bagley (née Goltra), Alan was three years old when the family moved out to Twentynine Palms. While his parents ran the town's only gas station and general store, a young Alan took to building radios. An attentive teacher helped him discover his love of music, so much that he considered a career in it. Instead, he decided to become an engineer and enrolled at Caltech, though still taught himself to play the clarinet, saxophone, ukulele, piano and ocarina. His studies were interrupted by World War II, so he joined the Army Air Corps and became a B-29 pilot. After the war he married a childhood friend, Elizabeth "Ibby" Watson, and returned to his studies at Caltech. Soon thereafter three children were born: Suzanne, Elaine, and Robert. Upon graduation he learned of an interesting opportunity at a small company called Hewlett-Packard. He earned his Master's degree at Stanford and then went on to become an engineer with HP for the rest of his career, until retiring in 1986. He was responsible for the first 524A frequency counter, which led to the development of a whole series of frequency counters and the Frequency & Time Division, a very important contributor to the total Hewlett-Packard success story, and of which Alan became the General Manager. It was during this time the division developed the Cesium Standard "Atomic" Clock, which Alan then flew around the world, bringing it to many global standards labs. He was also instrumental in the production of integrated circuits, the keystone component that brought electronics into the digital age.

His marriage to Ibby ended in 1963. After that, and while flying clocks around the world, he started courting Lorna Munn, a fellow HP employee. They were married in 1966 and had two sons, Scott and Steven. He and Lorna enjoyed many years of laughter and exploring the world together. Sadly, Lorna passed away in 2003. In 2005 he married a long-time family friend, Sharon Defty, and they remained together for several years.

His life-long interests included traveling the world, photography, sailing, golfing, hiking, music, fly-fishing and stargazing. He was a big supporter of the Search for Extra Terrestrial Intelligence (SETI), serving on their board and executive committee. He was also a contributor to the Los Altos History Museum. Among his passions were wandering the remote desert near his hometown of Twentynine Palms and Joshua Tree National Park, searching for wildflowers and clues of native habitation. He did this even into his late eighties.

Alan passed away peacefully at his home in Los Altos Hills on the morning of June 24th. He is survived by his five children, six grandchildren and one great-granddaughter.

Charitable donations could be sent to: Music for Minors or 29 Palms Historical Society.

**Geraldine (Geri) Cherem Ely**, November 20, 1935 - June 6, 2018, Resident of Palo Alto

Beloved wife to Paul and mother to Maria, passed away peacefully in the early evening of June 6. Geri was born in Detroit, Michigan, but lived most of her adult life on the peninsula in Northern California. After a couple years of college, she soon was employed at the Stanford Hoover Institute. Hoover Institute helped her become employed at Hewlett Packard. In 1968 she became secretary for Paul Ely, an R&D manager for one of HP's divisions. In 1985 when Paul left HP, Geri, after 25 years at HP, decided to go with him as his personal assistant.

In 1987 Paul's first wife Barbara was diagnosed with early onset Alzheimer's at the age of 56. Over the next 13 years Geri became Barbara's guardian angel and helped find people and facilities to provide the care Barbara needed up until her death in 2000. Geri and Paul married later that year. In 2001 they purchased a condominium at Kapalua on Maui with a wonderful view across the open water to the island of Molokai. They lived there part time for the next 14 years. Geri loved Hawaii and had many friends there. She asked that her remains be scattered on the waters she so loved to watch.

In lieu of flowers, the family prefers donations to the Alzheimer's Association.

**James Michael Cyb**, September 20, 1946 - July 4th, 2018

Jim Cyb, 71, of Sebastopol, CA passed away peacefully at home surrounded by family. Jim was born in Detroit, Michigan to Phyllis and John Cyb. He grew up in Santa Rosa and graduated from Montgomery High School in 1964 before serving four years on a submarine in the U.S. Navy. He married CeCe DuCharme in 1970 and had two sons, John and Jim, during their 29-year marriage. In 1974 Jim joined Hewlett-Packard as a technical illustrator. He was a graphic designer and later Promo Publications Manager for NMD. Jim also graduated with a degree in Marketing from Sonoma State. Jim is survived by his sons, John and Jim (Teresa), mother Phyllis Cyb, sister Janice Brown (Randy), and four awesome grandchildren. He was briefly married to Teren de Cossy in Santa Cruz. Jim's passion was bird photography. He exhibited in Art at the Source and was a member artist in the Sebastopol Art Gallery. Jim also loved old cars, movies, old rock n roll music, hiking, Santa Cruz beach and Mt. Hood, but was happiest when he was with his sons and grandchildren. In lieu of flowers, donations may be sent to the Pancreatic Cancer Action Network: (<http://secure.pancan.org/site/Donation2>)

**Robert Lee Price**, August 18, 1943 -- July 2, 2018

Passed away peacefully at the age of 74 following a courageous 2-year battle with pancreatic cancer. Bob was born in Carnegie, Oklahoma to Clyde and Irene Price. His family moved to San Jose, California when he was 11 years old. He graduated from Samuel Ayer High School in 1961. He began studies at San Jose State University, which were interrupted when he joined the Navy in 1961.

He was assigned to duty on Treasure Island and had to wait a couple of weeks for his classes to start. A chance encounter with a submarine officer changed his career, and after submarine school, he was assigned to the USS Segundo in San Diego where he was discharged in 1965. He thoroughly enjoyed meeting up with his Segundo mates at the many reunions he attended. He also redesigned the Segundo website a few years ago and ran it until he was diagnosed with cancer in July of 2016.

Bob returned to San Jose and joined IBM Corporation where he worked on the design and implementation of various databases from 1966 to 1982. During this time, he received his B.A. in Mathematics from San Jose State University. He joined Hewlett Packard in 1984 and worked in Cupertino, CA in various database capacities before he retired in 2000.

Bob was a member of San Jose Flycasters, IBM Retirement Club, Dolphin Base subvets, Almaden Valley Athletic Club and a men's book club. He loved to travel and enjoyed trips to Africa, Europe, Mexico, Honduras, Costa Rica, China and Hong Kong, where he revisited sites he experienced when his submarine docked there in the 60s. Fishing was his passion and he volunteered to assist beginning flycasters, fly tyers and taught a knot tying class. He enjoyed the club fishouts and the anticipation and preparation for his next fishing trip.

Bob is survived by his loving wife, Ruth, his sister Clydene Buchanan (Larry), his sister-in-law Edna, and many nieces and nephews. Reported to HPAA by Steve Boettner

**HPREC Member Franklin Dean Kramer**, November 9, 1932 - August 3, 2018, Mountain View, CA

Frank passed away, age 85 years. Beloved husband of Arlene Kramer for 61 years and loving father to his four children and their spouses: Linda Alexander, of Portland, OR, Dean & Jennifer Kramer, of Sunnyvale, CA, Nancy Kramer Popp & Randy Popp of Palo Alto, CA, Lori Kramer of Fairfax, CA, and his guard dog Roman. Frank is also loved by eight grandchildren, Chris & Angela Alexander, Lucas Popp, Benjamin Berman, Allison Popp, Julia Berman, Joseph Kramer, Stephanie Popp and two great-grandchildren, Julian and Liam Alexander. Frank was a US Air Force veteran, HP retiree, and a devoted AA member. In lieu of flowers donations may be made to Catholic Charities.
